

Brand Protection

Constantia
Flexibles

OUR APPROACH

- Safe use and safe consumption (authenticity and tamper evidence)
- Brand protection and shelf life extension
- Minimizing undesired interaction between packaging and product

Brand Protection

Delivering product security is one of the most important responsibilities for a company in today's environment. Constantia Flexibles excels in the provision of product integrity and works closely with customers to understand their unique needs; utilizing overt and covert security measures, tamper evident or anti-counterfeit features to protect consumers and manufacturers alike.

From invisible inks to holographic trust-seals, digital watermarks, to unique coding and verification, Constantia Flexibles can engineer a solution to protect your customers and your reputation.

SafeFamily

The SafeFamily by Constantia Flexibles offers several different features to protect your brand from counterfeiting. Moreover, it protects the customer from consuming fake drugs & products.

- Protects your brand
- Protects the customer
- Various technologies available
- Holograms with IHMA certification
- Designed according to every need
